

UNIVERSITY OF ST ANDREWS

Undergraduate Senate Regulations

Changes with effect from 2007-8

Faculty of Arts Regulations: amendments relating to the **Faculty entry requirements**, specifically Regulation IV A.1. making the requirement for a language other than English only *desirable* (with the exception of Modern Languages students). Retention of the requirement to have gained a pass in Mathematics and removal of “or an approved Science”.

Regulation IV B. 2 – amended to add Film Studies and Sustainable Development to the list of subjects recognised as qualifying for an MA degree. Removal of Russian Literature and Society.

Faculty of Science Regulations: amendments relating to the **Faculty entry requirements** – Regulation IV B.2 (ii) - Sustainable Development SD modules now included in the list of modules recognised as contributing to the award of particular Science degrees.

Section G. 46 - change in terminology from **Academic Fraud** to **Academic Misconduct**.

NICOLA MILTON (Mrs)
Registry Officer
